## Vision Statement

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

*We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.*

## **THE TREE WITH A SPIDER'S WEB**

God of gentle strength,  
A spider's web is a thing of great beauty but also fragile. Just like our lives.  
A spider's web is the result of a lot of hard work. Just like our lives.  
A spider's web can get damaged. But the spider is never discouraged. The spider just gets back to work and tries again. Just like us.  
A spider's web is easy to overlook. Sometimes that is just like us.  
Let us pray that we can appreciate the beauty of the world around us.  
Let us pray that we can appreciate the beauty and wonder of our own lives and the lives of those we love.  
Let us give thanks for small moments of grace.  
Amen.
